In the Matter of the Application of West Coast Gas Company (U-910-G) For Approval of Program Year 2005 Low-Income Assistance Program Budgets.	Application 04-07-050 (Filed July 29, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING
EXTENDING TIME FOR LOW INCOME OVERSIGHT BOARD (LIOB) TO
COMMENT ON REVISIONS TO LOW-INCOME ENERGY EFFICIENCY
PROGRAM AND POLICY MANUAL AND WEATHERIZATION INSTALLATION
STANDARDS MANUAL**

This ruling extends by three weeks the time for the Low Income Oversight Board (LIOB) to file comments on the *Low Income Energy Efficiency (LIEE) Standardization Project Team Request for Approval of Revisions to the LIEE Program and Policy Manual and Weatherization Installation Standards Manual (Manual Revisions)*, filed in this proceeding on January 18, 2005, by San Diego Gas and Electric Company (SDG&E), on behalf of the Joint Utilities.¹ The LIOB requested this extension by letter dated March 9, 2005, which was served on the service list for this proceeding on March 10, 2005.

¹ The Joint Utilities consist of Pacific Gas and Electric Company, Southern California Edison Company, SDG&E and Southern California Gas Company.

In my ruling dated February 11, 2005, I afforded all parties 30 days to file comments. That would put the deadline for comments on March 14, 2005. In view of the fact that the LIOB has not had a meeting since the Manual Revisions were issued, a three-week extension is reasonable. The new due date for comments *for the LIOB only* is April 4, 2005. On or before April 14, 2005, the LIOB may file reply comments to the other parties' comments. Any party wishing to submit reply comments to the LIOB comments shall serve and file such comments on or before April 14, 2005.

IT IS SO RULED.

Dated March 15, 2005, at San Francisco, California.
